## Automotive Mechanics Crouse And Anglin Free Pdf Download

Download Automotive Mechanics - By Crouse and Anglin. Charles M. Crouse was born on June 30, 1915 in St. Cloud, MN and died on January 11, 1998 at the age of 77. He served in the Army during World War II. He earned a Bachelor of Arts degree in mechanical engineering from the University of Minnesota in 1943 and a Master of Science degree in the same field from the same school in 1945. He started his professional life as a mechanical engineer. He worked for the Ford Motor Company in Dearborn, Michigan for twenty-eight years, after which he took a leave of absence to teach at the University of California at Los Angeles from 1957 to 1959. He later returned to work at Ford. Crouse left Ford in 1980, to accept a position as a senior mechanical engineer with Mobil Oil. In 1982, he left Mobil and joined the engine manufacturer Caterpillar, where he worked until his retirement in 1985.
